ARTICLE VIII

AMENDMENTS OR CHANGES TO THE CONSTITUTION AND BY-LAWS

Amendments to the Constitution and By-laws may be proposed at any regular meeting by any member in good standing. Proposed amendments must be made available to the membership by at least two of the following methods: publication on the Club web site, E-mail, the monthly Club Newsletter, or by individual mailing, and must be available to the membership prior to any vote.

At the next regular meeting after an amendment has been proposed, a vote will be held on the proposal. Votes may be cast in person or by video conference at the meeting, by postal mail or email to the secretary-treasurer in advance of the meeting, or by other electronic means as the officers shall deem appropriate.

An amendment shall be adopted only if (1) at least 50% of members in good standing participate in the vote, and (2) a majority of those voting approve the amendment.
