AMA Chapter #2013

Come Fly With Us!

About JMM

The purpose of Jayhawk Model Masters is to promote the building and safe operation of radio controlled (RC) model aircraft. In addition, we strive to fulfill our civic responsibility to the community, and support worthwhile projects.

Everyone is welcome to visit our airport. Clinton International Model Airport is one of the finest model airports in the Midwest, and the club members enjoy sharing their love of building and flying. At the very least, stop by the field when you see planes in the air and watch for a while.

**Feel free to call for more information
or join us at the field anytime.**

Get Involved

To learn more about our club and how it operates, please join us at one of our regular meetings. We meet every third Saturday in the Smith Center at Brandon Woods, 4730 Brandon Woods Terrace, Lawrence, Kansas, 2 blocks east of Wakarusa on Brandon Woods Terrace. We gather about 8:00 AM, have breakfast and start the meeting at 9:00 AM. It is a good time to meet some of our members and get acquainted.

For more information about our club activities, events, and facilities, please visit our Web site at:

<http://jayhawkmodelmasters.com>

Connect with our members and friends at our Facebook page at:

[https://www.facebook.com/
groups/132391945409/](https://www.facebook.com/groups/132391945409/)

Jayhawk Model Masters has been located in Lawrence, KS for over 30 years. The field features two large grass runways, a large shelter house, bleachers, storage shed, large parking area, solar power, charging station, lights, assembly table, starting stands and much more.

Become a Member

**To fly at Clinton Airport you must be a
member of the**

Academy of Model Aeronautics (AMA)

AMA Members, you are welcome to fly at our airport three times as our guest. This gives you a chance to get to know the field, the facilities and meet our members. After this trial period if you wish to continue to use the airport on a regular basis, you will be expected to join JMM.

Joining is easy. Simply download the fillable PDF application from our website (jayhawkmodelmasters.com), fill it out, print it, and sign it. Mail it to the address on the form. Please include a check for one year's dues (prorated for a partial year if appropriate) and proof of current membership in the Academy of Model Aeronautics . **You're flying!**
